FRANCIS READ OF SENIOR CLASS WINS SCHOOL ORATORICAL CONTEST

Composition Perfect, Delivery Flawless and Has Complete Confidence; Booths Works of Art

Speaking before one of the largest and most enthusiastic audiences ever assembled in Glendale, Francis Read, representing the senior class, last night won first prize at the eleventh annual and probably the most successful oratorical contest ever conducted by the local high school. The event was staged in the spacious tabernacle on the corner of Harvard and Orange streets, as the seating capacity of the high school auditorium was by far too small to accommodate the immense crowd. Besides the thousand students present, the house was packed with almost twice that number of outsiders, making a total attendance of approximately 3000.

The subject of the winning orator's address was "Woodrow Wilson, the Dreamer and Doer," and was handled in such an excellent manner by the youthful orator that even his rival schoolmates conceded him the victory. His composition was perfect, his delivery flawless and above all else he possessed a confidence and complacence that are always the prime requisite of any public speaker.

To cite the "high spots" of the speech would be to make a resume of his entire oration.

Of the other speakers of the evening Miss Kathleen Campbell, Sophomore, was probably second choice, although all of them were so irreproachable that it would have indeed been an Herculean task to have accurately judged them.

Miss Campbell's subject, "Education, America's Source of Progress and Power," which is always one of the livest topics throughout the United States, was ably handled and delivered with such force and completeness that many claimed it as worthy of the first prize.

Japanese Question

Speaking on one of the most talked of and important subjects of the present time Dale Wood, of the Juniors, very cleverly and concisely put another viewpoint on the Jap question when he spoke on "The Golden Rule As a Solution of the United States' Problems With Japan." He very clearly told of the recent progress of the Nipponese, the influence of the Christian church, the reasons for the orientals immigrating to California, and many other interesting phases of the much discussed topic.

Arden Gingery, who proved to be the real "dark horse" of the contest, has the distinction of having given the best oration that has ever been delivered by a representative of a Freshman class. His subject was "Abraham Lincoln," and he eulogized the great American martyr in a new and novel manner, such that would be a credit to any college student. Unlike most sponsors of the first year class young Gingery was never in the least unnerved, addressing the large crowd as though he had done it all of his life.

Booths Well Decorated

Following out the general ideas suggested by their respective speakers the various classes decorated their different booths to such an elaborate extent that the judges of this event pondered long and deli-

E. C. HALE TELLS 'DEAR KATIE' ALL ABOUT SCHOOL ORATORY CONTEST

Disagrees With Decision of Judges; Says Prize Money Should Have Been Evenly Divided

Glendale, May 14, 1921.

Dear Katie: I don't feel very good today. Last night I stayed out pretty late and this morning my head aches, my ears are still buzzing and I feel all wore out. No; I didn't drink nothin, Katie, but here is the true facts about the matter.

Last night I saw a advertisement in The Glendale News which told about a oratory contest given by the Union high school, so I decided to go and see what it was all about. However, I didn't know what oratory meant unless it was a wrestling match so I first looked it up in the dictionary and there it said: "A oratory is a lullaby of the intellect." Well, that was about as clear to me as the income tax, so I decided to go anyway and see what a intellect was.

Well, the show or whatever it was, was going to be in the tabernacle, so I got there as early as I could so I could get a good seat, and I didn't have no trouble in that respect 'cause I was the first one there account of my watch being a hour fast.

Finds Seat; Finds It Hard

Well, I got a seat down in front and the seats was all hard wooden benches that wouldn't have known an upholstered cushion if they had met one face to face. The stage and decorations was beautiful, Katie.

There was a imitation boat, the world on a stick, a cute little log cabin and the map of America and a flight of steps on which was the word "Education."

All of those things was made of solid masses of red and white carnations. The walls in back was garnished with palm leaves and ferns. I begun to think it was some kind of a flower show.

After while a nice young man come and told me I was settin' in the section reserved for the judges, and as I wasn't a judge would I please go back and sit in isle X. So I did.

Well, on the stage was a lot of chairs and a piano. But what was the judges for? I decided, maybe, they was going to have a court room trial. It was as mysterious as hash to me.

People begun to come in and the big room filled up like a rain barrel in a thunder shower. Well, prompt at 8 o'clock, a girl begun to play on the piano and through the front door came about a thousand school students with masquerade suits on. They marched down one isle and up the other. They was dressed up like farmers, lawyers, colored folks, school children, Japs, ladies of '61, milkmaids, etc. The middie blouse brigade took my eyes, Katie.

Sits in Rapt Attention

Then the big audience begun to cheer and holler and I cheered and hollored, too, but I didn't know what I was hollerin' for.

I was still trying to figure out if it was going to be a wrestling match, a floral show, a trial or a masquerade. At last they all set down and it was awful still for a minute, when somebody sneezed, then everybody laughed and hollered again.

Then onto the stage come what I took to be the judge, a lawyer, 4 prisoners and a jury wearing stove pipe hats. I sat in rapt attention. Well, the judge got up and made a speech and then I learned the facts. It was to be a talking contest with 3 men on one side and a woman on the other, which was about a even thing. I soon found that those thousand students spoke four separate languages and none of 'em could I understand.

They was Sophs, Seniors, Juniors and Freshmen and they didn't have no sense of etikette. Right there be-

Mrs. Catherine Shank Has Pleasing Recital

A very delightful recital was given at the Ebell club, Los Angeles, by the pupils of Mrs. Catherine Shank, soprano and vocal teacher, which showed the work she has been doing. The program included numbers by five ladies, Mrs. Robert M. Yost, Miss Isabel Yates, Mrs. Vera Neighbors, Miss Eileen Sullivan and also by Mrs. Shank.

Mrs. Shank is absolutely a Californian. Her first teacher was Madame Jobana Rubo of Los Angeles. Later she took lessons from Senior Jamie Numo of New York and Madame Ada Ardiny of Paris. For many years she was a prominent soloist in New York, and is now in church work here.

Mrs. Shank is first vice president of the Glendale Music club.

Mrs. M. L. Hock Goes To North Dakota Home

Mrs. M. L. Hock and her two small children, Mildred and Martin, Jr., who have been house guests for the past six months of Mrs. Hock's mother-in-law, Mrs. H. L. Hock of 612 East Orange Grove avenue, this city, left this morning for their home in York, N. D.

Mrs. Hock has become so infatuated with the climate and conditions of southern California and particularly of Glendale, during her rather brief sojourn here that she has made plans to return within a few months to become a "native daughter." While in York, Mrs. Hock will wind up the affairs of the estate of her late husband, who died four years ago.

LEGION POST DOES NOT FAVOR JOINT BUILDING PLAN

ENDORSES PROPOSED TOURNEY AS CIVIC BODY ONLY; W. BRINKOPF SPEAKS

In a resolution passed by the Glendale American Legion post last night, that body went on record against joining with the National Guard or other organizations in the occupancy of a building which is proposed to be constructed from a fund obtained at a military tournament on July 2, 3 and 4 which is planned for the San Fernando valley.

As a civic body, however, they did indorse the idea if that will aid the guardsmen in carrying out their plans. A spirited debate of the question brought out the fact that the American Legion here does not want to be affiliated with any military organization.

Following is the text of the resolution:

"Resolved, That Glendale Post, No. 127, American Legion, indorse the proposed San Fernando Valley Tournament as a civic body only, and be it further resolved that Glendale Post instruct its delegate to instruct the central committee governing this tournament that this organization proposes in the near future to acquire a home, built by the American Legion and Glendale citizens and occupied by the American Legion only."

Talks on Harmony

Walter Brinkopf, past commander of Los Angeles Post No. 8, addressed the Legionnaires, principally on the subject of harmony. He stated that he had heard of the success of the Glendale Post in getting a large percentage of veterans to join their organization and also complimented the local Legion on the work it was doing at Thornycroft hospital for the disabled.

Buron I. Fitts, state commander, was praised by the speaker for his work in securing the passage of American Legion bills before the state legislature. He invited the local post to avail itself of the Los Angeles Bulletin of the Legion and asked support of a little store being run on the San Fernando Road, near Verdugo, by W. J. Rose, one of the war heroes who is here recuperating his health.

Mr. Brinkopf dwelt considerably on the low ebb of patriotism at the present time and urged the Legionnaires to do what they can in reviving the spirit of this nation. He spoke also of the training camps which will be held at Camp Lewis and the Presidio, beginning May 6.

Commander Alfred Yale of Burbank Post and Comrade Lee of San Diego talked on the proposed military tournament.

Post Commander E. O. Kiefer presided and the committee which framed the resolution was composed of Robert C. Plume, W. B. Kelly and Dru Nicoles.

Twin Brothers Given Party Upon Birthday

Some people may consider Friday, the thirteenth, as being unlucky, but Robert and Albert Sullivan, twin brothers, found it quite lucky, for they were entertained last night at their home, 711 South Central avenue, by their parents, Mr. and Mrs. R. W. Sullivan, in honor of their birthday anniversary. Dancing and music occupied the evening, at the close of which refreshments of ice-cream and cake were served.

The friends who assisted in the celebration included Miss Lillian Schick, Miss Mabel Ludwig, Miss Naomi Barrier, Miss Eileen Cole, Miss Grace Crampton, Miss Faye Gould, Miss Franc Kinch, Miss Jessie Dutton, Miss Winifred Johnson, Miss Isabel Yates, Miss Louise Ayala, Miss Dorothy Hunt, Miss Eileen Sullivan and Miss Ruth Ryan; Messrs. Frank Littell, Frances Gordon, William Pfeifer, Jack Hossley, George Petticord, George Fluelling, Don Yates, Ray Engle, Bob Burson and Larry Karcher; Mr. and Mrs. Talbott of Pasadena, Mr. and Mrs. B. Elfgin, Dr. and Mrs. Hunt, Mrs. Hilton of Illinois and Mr. and Mrs. W. H. Sullivan.

Ask S. A. Davis To Be Candidate For Trustee

Neighbors of S. A. Davis, 118 West Colorado, have circulated a petition urging him to become a candidate for the Board of City Trustees. It is understood that Mr. Davis has the matter under consideration. He has had many years' experience, both in the east and west, in the mercantile business.

Today's World News In Brief

(By United Press to Glendale Evening News)

FIGHTING IN WEST VIRGINIA IS BEING CONTINUED

WILLIAMSON, W. Va., May 14.—Hostilities in the Ringo mine war broke out with increased fury early today. The dawn of the third day of fighting in the hills above here brought reports here of six dead and many wounded, with possibilities the casualty list would ascend.

GERMANY'S ARMY IS READY TO INVADE UPPER SILESIA

BERLIN, May 14.—The German army is ready to invade Upper Silesia immediately, in an effort to drive out the Polish insurgents, it was learned from semi-official sources today. The German press is completely satisfied with Premier Lloyd George's speech, but cautions the government to await official permission from the allies before sending troops into the disputed territory.

FEDERAL TROOPS MAY BE SENT INTO WEST VIRGINIA

WASHINGTON, May 14.—President Harding and Secretary of War Weeks today are considering sending federal troops into the embattled districts in West Virginia, it became known today. A telegram was received by Harding from Governor Morrow of Kentucky on the fighting that has been going on for the past few days along the Kentucky-West Virginia border.

STOCKS ON NEW YORK EXCHANGE DROP AT OPENING

NEW YORK, May 14.—The stock market became reactionary after the first ten minutes of trading today. Chandler made a new low of 67, off 18 points from the high of the last three weeks, shortly after the opening. Mexican Petroleum opened up ¾ at 146½, but quickly dropped a point. Studebaker held around 79. Equipment issues were fractionally lower. United States Steel was unchanged at 82⅞ and Crucible was up ¼ at 78¾. Tobaco and Leather shares were firm.

19-YEAR-OLD LOS ANGELES GIRL COMMITS SUICIDE

LOS ANGELES, May 14.—A broken engagement and the death of her father a year ago, are believed by the police to have prompted Mary Elmhurst, nineteen, stenographer at the state motor vehicle department office, to shoot and kill herself here today. The girl had returned only last night to the home of Mrs. W. A. Sibley, with whom she roomed, from Long Beach where she had spent two weeks' leave of absence, with friends. Hearing a shot, Mrs. Sibley hurried to the girl's room and found her lying dead on the floor, a bullet having crashed through her brain.

GIVE REASONS FOR PEOPLE TO VOTE SCHOOL BONDS

COMMITTEE TELLS WHY MONEY IS NEEDED; ESTIMATE COST OF ISSUE TO TAXPAYER

The following statement is given to the public by the publicity committee of the organization urging support of the $199,000 bond issue for schools, election to be May 24:

The board of trustees of the Glendale city school district has called an election for May 24, to vote upon the question of issuing bonds of the school district, in the sum of $199,000.

This action was taken by the board only after calling a mass meeting at which a committee was appointed to study the needs of the district and formulate a plan for supplying those needs. The committee was a very representative one, its members having been drawn from all parts of the district. Its findings therefore are impartial and represent the sentiment of the community at large.

Why Money Is Needed

To anyone making even a cursory study of school conditions in Glendale, it must be very evident that there is a crying need for additional facilities. The growth of Glendale in the past few years has been phenomenal; while the increase in school facilities in the elementary schools since 1916 consists of four school rooms. The growth of the school enrollment in the past year is nearly 700. Our rooms were crowded a year ago, are worse crowded at the present time and undoubtedly will be in still worse condition next year. The majority of our school rooms have more than forty children in attendance and some rooms have more than fifty.

The program recommended by the committee and adopted by the mass meeting of April 7, 1921, is as follows:

A site will be purchased and an intermediate school erected at Park and Glendale avenues. This school is planned to contain eight class rooms, administrative offices, a cooking room, a sewing room, manual training room and an auditorium, the latter not only to be used by the school but also to furnish a community meeting place for the people of South Glendale who are now entirely without one.

Additions will be made to the grounds of the following schools: Columbus avenue, Acacia avenue, Colorado boulevard and Doran street.

Additions will be made to the following buildings: Columbus avenue, Acacia avenue, Colorado boulevard, Doran street and Pacific avenue.

FAREWELL DINNER PARTY

Mr. and Mrs. Arthur C. Kase of 331 North Isabel street are entertaining at a farewell dinner party this evening for Miss Edna Hannibal, Miss Anna Carney, Mrs. Anna Young of Omaha and Steward Kase of Rochester, New York, who are all returning to their homes after spending the winter in southern California. The guests will include Mr. and Mrs. Arthur Coe and son Norval, Mrs. C. E. Coe, Mrs. C. E. Eoff, Miss Dollie Eoff and Clyde Eoff of Los Angeles.

FORM ORGANIZATION TO SECURE GLENDALE AVENUE IMPROVEMENTS

Harry C. Levey Is Chosen President; Committees Selected and Membership Roll Is Started

In response to a call made through The Glendale Evening News some sixty citizens met last night at the city hall to discuss the needed improvements on Glendale avenue and formulate plans for carrying the work to completion. The electricizing of the Salt Lake road evidently is the greatest need, and that subject was more largely discussed than any other.

Attorney Harry C. Levey of 811 South Glendale avenue, who is largely responsible for the gathering, called the meeting to order and stated its object. City Manager T. W. Watson was called upon and gave valuable suggestions as to the most urgent needs. The beautifying of the avenue, the widening and rounding of its intersection with San Fernando Road making that "gateway" attractive and in plainer view; also the securing of dedications of land for sidewalks and parkways, as much of the adjoining property extends to the curbline.

Mr. Watson stated that much work will be necessary for the accomplishing of these needed improvements, but said he did not believe in giving up until "we get everything that is good and that we would like to have."

Officers Are Chosen

On motion the following permanent officers were elected: Harry C. Levey, president; Frank A. Marek, secretary; Herman Nelson, treasurer.

G. B. Woodberry stated that he had been "hoping" for service from the Salt Lake since 1887 and is yet "hoping," but with more optimism. He called attention to the already overcrowded traffic on Brand boulevard, and suggested a convenient opening should be made connecting Glendale boulevard, Brand boulevard and Glendale avenue to divert the La Crescenta and La Canada traffic via Glendale avenue, and thus relieve the congestion on Brand boulevard.

Among others taking an active part in the discussion were Spencer Robinson, J. F. McClish, Herman Nelson, Mrs. Mabel L. Tight, O. W. Tarr, James K. Todd, Frank A. Marek, J. N. McGillis and G. E. Hannon.

The following committees were appointed: Improvement of street, O. W. Tarr, J. F. McClish and F. A. Marek; on Salt Lake railway matters, Mrs. M. L. Tight, Spencer Robinson, Harry C. Levey, G. B. Woodberry and Herman Nelson; commit-

Seeks To Help Food Sale But She Slips; Result Is Comedy Pie

Although the Women's Auxiliary of the American Legion cleared $25 from the food sale held at Neale & Gregg's store three days ago, it would have amounted to much more except that—

Mr. and Mrs. E. P. Hayward live at 200 North Louise street.

Their apartment is on the second floor.

And when Mrs. Hayward started to the food sale, she slipped on the top step.

She was carrying a lemon pie, valued at least at—well, it's hard to estimate.

But the pie stayed on the stairs until Mr. Hayward picked up his wife and found that she was all right.

Even if the pie wasn't.

Quits Pictures To Enter Business Here

After several years in motion picture work, during which time he rose to the position of film editor with the Universal and Metro Film corporations, Leon Bachmann, a well-known Glendale boy, has retired from the film game to enter business in Glendale.

With his cousin, Robert Blaisdell of Los Angeles, an expert auto mechanician, he has opened a garage and automobile repair shop at the corner of Colorado boulevard and Glendale avenue, under the firm name of Bachmann & Blaisdell.

Mr. Mercer, the owner of the property at that location, has built a new garage building of hollow tile for the young men, where they are prepared to give attention to any machine from a Ford auto to a Rolls Royce.

Mr. Bachmann is also an able mechanician, having worked at auto repairing before entering picture work. Their friends expect to see the boys make a big success of their new undertaking.

Clifford C. Archer Is Not Expected To Live

Word was received yesterday by Mrs. T. Archer of 533 Elk avenue that the condition of her grandson, Clifford C. Archer, who has been confined to a hospital in Portland for the past seven months, has recently become very grave and that he is not expected to recover. This news comes as a sad blow to his numerous Glendale friends, as the last report stated that he was rapidly regaining his health.

Clifford Archer was a member of the 1923 class of the College of Osteopathic Physicians and Surgeons in Los Angeles, living in Glendale at the home of his grandmother while attending school. Apparently in perfect health when he left here last June for his home in Pullman, Washington, the young man had been home only a month when he was overtaken by his present illness. The attending specialists advised six months' rest in a sanitarium, but at the end of that time he suffered a relapse that resulted in his present condition.

LECTURE ON RUSSIA TO BE GIVEN AT CHAUTAUQUA

MINSTRELS FROM BALKANS TO BE ON PROGRAM; FEATURES FOR SUNDAY AFTERNOON

With programs which seem to improve with each day's session of the Chautauqua two of the best entertainments yet to be given were presented at the yesterday afternoon and evening performances.

In the afternoon the prelude, consisting of a group of songs, was given by the Orpheus four prior to the lecture, which combined the humorous and the serious, so ably given by Marshal Lewis Mertins, "Gold at the Rainbow's End."

The entire evening program was given over to the Orpheus four, the personnel of which includes Samuel B. Glasse, first tenor; Paul E. Adams, second tenor and accompanist; William G. Wells, baritone; and Verner A. Campbell, bass; all of whom are residents of Los Angeles. The big tent was well filled with a most appreciative audience, including several hundred friends of the entertainers from the Orpheus club of Los Angeles. The Orpheus four is considered, and justly so, to be the best male quartet in the country. A varied and most excellent program was given by them at both performances.

Program for Tonight

The program for tonight will include the prelude by the Jugo-Slav orchestra, "minstrels of the Balkans," who will play their national instrument, the tamburica, which will be followed by a lecture by Tom Skeyhill on "Russia."

There will be no evening performance tomorrow. The entire program will be given in the afternoon,

Glen Evrie Chapter, O. E. S., Has Meeting

At the regular meeting of Glen Eyrie Chapter, O. E. S., No. 237, which was held last night in the Masonic Temple, three new members were initiated into the order and eight others balloted for. The meeting was called to order by the worthy matron, Mrs. Orma V. Naudain. Memorial exercises were given in honor of three members who had passed away during the past year.

Announcement was made of the social club meeting, which will be held next Wednesday afternoon, beginning at 1:30, at the home of Mrs. J. N. Wyvell, 1124 North Brand boulevard. May 27 the Matrons and Patrons of 1921 will be entertained, program beginning at 8 o'clock. This will be followed by a ball.

'Ernie' Gansert, Former Resident, Is Very Ill

The large number of local friends of "Ernie" Gansert, who was employed in Glendale barber shops for a number of years prior to July, 1918, will be grieved to hear of his present critical condition. Mr. Gansert, who is now a resident of West 76th street, Los Angeles, was taken ill about six months ago and since then has been unable to return to his trade. During the past week his condition has taken on an exceedingly grave aspect and it is with great anxiety that his family and friends are watching his progress.

DRUG STORE TO BE OPENED

J. A. Becker and M. E. Becker, who came to Glendale last August from Wisconsin, where they were in the druggist business for a number of years, they being registered pharmacists, have secured a lease on the building in which the Mission Spa is located on North Brand boulevard. This building will be remodeled and a first-class drug store opened. Alterations will begin immediately.

Locals And Personals

Mrs. W. S. Starring of 1411 East California avenue is quite ill at her home.

Mr. and Mrs. J. T. Hill of 461 West Doran street will be the guests of friends in Hollywood Sunday.

The trial of Emil Spitzer, who has been held to answer to a charge of bigamy, which was to have been heard in Judge Willis' court yesterday, has been postponed until July 22. The forgery charge has been postponed until next Monday. Spitzer's latest marriage ceremony was performed by Judge Harry M. Miller of Glendale New Year's Eve. The forgery charge is the result of a check which he tried to pass on the purchase of jewelry from the Walker Jewelry company.

Approximately 20,000 miles of new improved roads were finished in this country last year.

THE VALUE OF LIFE

In the Texas courts the value of the life of a locomotive fireman had been adjudged at $40,000.00. An effort had been made to have the United States Supreme Court review this decision in the hope that this valuation would be set aside as excessive. The Supreme Court, however, has refused to review it and it accordingly stands. How much is YOUR life worth? Are you protecting your family to the extent of its approximate valuation? When the fact stares you in the face that 87 per cent of all the property which men leave at death is Life Insurance, don't you find yourself away under insured? Talk to me about it.

Father Cronin To Give Lecture Here

Father Cronin is one of the prominent churchmen of the day who gives a portion of his time annually to the chautauqua platform. For many years he has been a prominent member of eastern chautauqua lecture staffs, but he is making his first tour of the south and far west this season.

Father Cronin is an eloquent and forceful speaker. His wit is keen and scintillating. In his well-known lecture, "The Weeds and Flowers of Literature," he deals with the effect on character of literature of the day.

The chautauqua is here May 11-17.

Lecture On Russia Chautauqua Feature

(Continued from Page 1.)

beginning at 2 o'clock. It will open with the Reverned Father D. J. Cronin, who will lecture on "The Weeds and Flowers of Literature." This will be followed by the community sing led by Walter Jenkins, who was government sing leader for the soldiers' camps of the northwest during the war. The play "The Servant in the House," a moral and religious drama, will come on about 3 o'clock.

This play was written by Charles Rann Kennedy and is looked upon as one of the most powerful dramatic products of this generation. The Keighley Broadway players of New York City, who will present this play, are a company of true artists. There will be no junior chatauqua Sunday.

So large has been the attendance at the chautauqua programs that it has been necessary to rent 300 additional chairs from Los Angeles in addition to the 175 already loaned from various firms in Glendale, and the benches and chairs belonging to the company.

Miss Dorothy Williams Wins Honor At College

Mrs. A. M. Williams of 208 South Orange street, accompanied by her daughter Miss Dorothy Williams, has just returned from a two weeks' visit in the northern part of the state. She attended the graduation exercises of the University of California at Berkeley. Diplomas were given to a class of 1651, of which her daughter Dorothy was a member. In the Latin department, in which Miss Dorothy Williams was majoring, there were eight who received honors, and she was one of them.

FORUM DINNER SPEAKER

Nelson O. Rhoades, who was scheduled to speak before the Chamber of Commerce Forum dinner next Thursday night at the Glendale Union High school cafeteria, telegraphed this morning that business called him to Mexico City at once.

Secretary James M. Rhoades immediately arranged for A. Lincoln Hart of the Ethical Motion Picture society to speak on the subject, "Better Pictures for Sunday." A. F. Sanders also will be on the program and from his initial speech before a luncheon two weeks ago, there is no question but what the program this coming Thursday will be highly entertaining as well as educational.

GIVE REASONS FOR PEOPLE TO VOTE SCHOOL BONDS

COMMITTEE TELLS WHY MONEY IS NEEDED; ESTIMATE COST OF ISSUE TO TAXPAYER

(Continued from Page 1.)

Following the recommendation of the committee these additions will be in the form of separate units of two, three, or four rooms of fireproof or semi-fire-proof constructon, all to be built on practically the same plan except where the exterior will have to be changed to conform with the present building.

The plan is to so construct these units that they will be suitable as a part of a permanent plan, that is to say they will be the first units of complete buildings or groups of buildings, to be constructed later. This statement does not, of course, apply in full to permanent buildings, such as the Pacific avenue school, where the new units will be made to conform to the architecture now on the grounds. It is the opinion of the board, and we believe also of the community, that such buildings as the Cerritos avenue, Columbus avenue and others that are similar will be replaced by buildings of a better and more permanent type of construction, and what is planned to do now is the first step in that direction.

Two more projects to be carried out under this bond issue are the erection of a two-room school building in the Verdugo canyon and the conversion of the two semi-basement rooms at the Central avenue school into school rooms.

What It Will Cost Taxpayers

Using as a basis the assessment of March, 1920, the increase in the tax rate caused by the voting of these bonds would be 16 cents on the $100 of assessed valuation. To the owner of a $5000 home assessed at 40 per cent of its value this would mean an increase in his taxes of $3.20. However, the city of Glendale between March, 1920, and March, 1921, issued more than $3,000,000 of building permits. The buildings erected under these permits were included in the assessment of March, 1921, thus increasing very materially the total assessed valuation of the school district. This means that the figures given above on the cost to the individual tax payer are unquestionably higher than his tax bill will actually show.

By voting these bonds and embarking upon the building program outlined above the city of Glendale will keep itself in the place where it now belongs, in the front rank of Southern California municipalities. A community without good and ample school facilities for its children is a community shunned by the home-seeker. Real estate dealers are fully aware of how vitally the question of school facilities enter into the decision of a newcomer to buy a home in our city. A progressive community cannot afford to do without good schools. The real question involved in this bond issue is: "Shall Glendale continue to progress or shall she turn backward?"

In conclusion we urge every voter to go to the polls on May 24, and vote for this bond issue.

The polling places are as follows: Central avenue school for those living north of Doran street, Cerritos avenue school for those living south of Windsor road, Intermediate school for those living between these two streets. The polls will be open from 8 a. m. to 6 p. m. Publicity Com.,

H. V. HENRY, Chairman,
WILLIAM C. WATTLES,
OLIVER O. CLARK.

The Secret of Wear in Clothes

It isn't the "wear" that wears out clothes, so much as the rubbing, wringing, twisting they suffer in the hands of the average laundress. Why not give your wash-tub and wringer a rest by sending your family bundle to us?

We use gentle, scientific methods which produce immaculate cleanness, aseptic purity, with minimum wear. Phone, and our driver will call for your bundle.

PLANS FOR BAZAAR

The Women's Guild of St. Mark's Episcopal church held its regular all-day meeting in the guild hall Thursday. The business meeting in the morning was presided over by Mrs. B. O. Holbrook, president.

The ladies had been planning to have a bazaar at La Ramada, June 2, but as that place has been sold it will not be possible to have the bazaar at that place. Instead, it will be held on the grounds in front of the church and the lunch and dinner will be served in the guild hall.

A social afternoon was enjoyed, at the close of which tea and cake were served.

DOLL SHOW IS PART OF PROGRAM FOR PACIFIC P.-T. A.

BUSINESS MEETING IS ALSO HELD BY ORGANIZATION AND OFFICERS CHOSEN

An event that will be long remembered by the children of the kindergarten, first, second and third grades of the Pacific avenue school, was the regular meeting of the Parent-Teacher association of that school, at which the program was given by the children of these grades.

A doll show was part of the program. The court was decorated with trailing ferns and roses, with a Maypole in the center.

The program consisted of a recitation, "Spring," Edna Paull; group of nursery exercises by the kindergarten; "Ten Little Sunbonnet Babies and Ten Little Overall Boys," exercises by the children of the first grade; "Eight Little Dandelions," children of second grade; "Lovable Child," recitation by Edna Paull; Maypole Dance by girls of third grade.

While the mothers were holding a business meeting after the program the children were served punch and wafers.

Officers Are Chosen

At the business meeting it was decided to change the meeting day from the second Thursday of each month to the third Thursday.

Richardson D. White was present and urged all ladies to vote for the bonds May 24. He also announced the play, "The District School," to be given by the Glendale City Teachers' club June 4 at the high school.

The following names were submitted by the chairman of the nominating committee and were elected as officers for the ensuing year: Mrs. Mae Rosenberg, president; Mrs. Wm. Farlander, vice-president; Mrs. Grover Adams, secretary; Mrs. George Moore, treasurer; Mrs. Ross Russell, historian; Mrs. Leslie Tronsier, parliamentarian.

After the meeting adjourned punch and cakes were served in the court.

LOCAL ELKS BEATEN IN ALLEY MATCH BY L. A. TEAM

GLENDALE LOSES, BUT TAKES ONE GAME AWAY FROM MEN OF LODGE 99

Although the team of Glendale lodge of Elks, No. 1289, lost the bowling match last night with Team No. 1 of Los Angeles lodge, No. 99, at Los Angeles, yet it had the distinction of defeating that team one out of the three games played, this being only the second game of the season which had been lost by Los Angeles. The score and players were as follows:

Los Angeles Team No. 1.			
Meador	157	118	184
Dunn	135	160	182
Mannis	163	226	166
Neal	215	185	170
MacKenzie	220	209	202
Totals	890	898	904
Glendale Elks, No. 1289			
Fortunato	154	186	202
Caswell	150	129	207
Romell	156	143	157
Huesman	147	162	190
Apffel	180	174	179
Totals	787	794	935

There were about sixty fans who accompanied the team from Glendale to Los Angeles last night. After the game the Los Angeles Elks entertained the Glendale delegation with a very appetizing lunch. The next game will be played on the local alleys when Glendale plays Santa Monica Elks' team No 1.

Squeaks Sure Sign Of Age; Make Them Stop

Squeaks in the wheels?

The older your car gets, the more new wrinkles and louder squeaks will be found, according to E. V. Jellison of the J. & K. Service garage, 1006 South Brand boulevard.

But there is a sure cure for the noisy wheels, he says.

That's by supplying new rim parts.

For instance, if the lugs on the rims are worn, a small priced oversize lug will eliminate the squeak.

And this simple remedy costs nothing other than the material used.

The J. & K. garage gives the service.

In England, motorists pay a license of one pound per horsepower—nearly $200 for a 45-horsepower car.

Garage is a French noun, derived from the verb "garer" to shut, to put aside or apart under shelter.

FULL SATISFACTION GIVEN TO OWNERS OF NASH CARS

GENERALLY RECOGNIZED AS EXCEPTIONAL VALUE, SAYS E. B. SUTTON, DEALER

"Any Nash can do it," said E. B. Sutton of the Glendale Nash Sales this morning, as he read the following telegram:

"Nash Six stock touring car registered in at Tallac, Lake Tahoe, at 2:06 p. m., Thursday, the first automobile to reach Lake Tahoe this season via Placerville road under its own power, encountering successfully unbelievable road conditions and snow from two to twelve feet deep. Another demonstration of Nash stability."

The message was signed Pacific Nash Motor company of San Francisco.

"More than 65,000 Nash Sixes have gone into owner services during the last three years and in this time this fine automobile has established itself in the front rank of America's leading motor car values," said E. B. Sutton of the Nash Sales company, 207 North Brand boulevard. "The Nash Six with perfeceted valve-in-head motor is now generally recognized at its price. It has given such uniformly satisfactory service in owner use that its high quality is accepted in every community.

"The friendship of its owners, built up entirely by the dependable performance of the car itself, is alone responsible for the enviable reputation for sound worth which the Nash Six now so universally enjoys.

"Take the earliest opportunity to know for yourself why Nash owners are so pleased with their cars. Compare the Nash Six from every standpoint. Compare its power, its beauty, its comfort and easy riding qualities. Then compare its price.

"Before the Nash Six was placed upon the market, it had been in course of designing, perfecting and refining for many months. Since then improvements and perfections have been made from time to time but, in the main, the car is the same as it was three years ago. Every Nash is like every other Nash of its particular model. This is, perhaps, the reason the Nash Six commands such an unusually high resale price, even after years of use.

"After driving a Nash thousands of miles you are still as impressed with its power as you were when given your first ride in a new car.

"The Nash Six has an air of distinction. Its individuality of appearance, its graceful lines, power and quietness and economy, all combine to impel admiration on the part of those who appreciate fine motor cars. Thus, the high regard the Nash Six owner has for his car is based no less upon the excellent performance of the entire car than upon any one unusually good feature, such as the Nash perfected valve-in-head motor."

Inspiration For Auto Ad Comes From Roof

Getting an ad in a top position is a familiar term around a printing office.

But when the advertising man has to mount a stepladder and talk to the business man working on the shafting of the heavy machinery in a well equipped garage, it is some task.

Eddie Winfield and Sam Durand have a first-class automobile repair shop at 314 East Broadway. It was there that the advertising man found Mr. Durand busy installing new machinery.

From the roof he dictated their display advertisement which is to be in the automobile section today. If you like it, tell him.

Last year a typical mile of road in Illinois cost more than $40,000 to build; this year the average bid was $37,500.

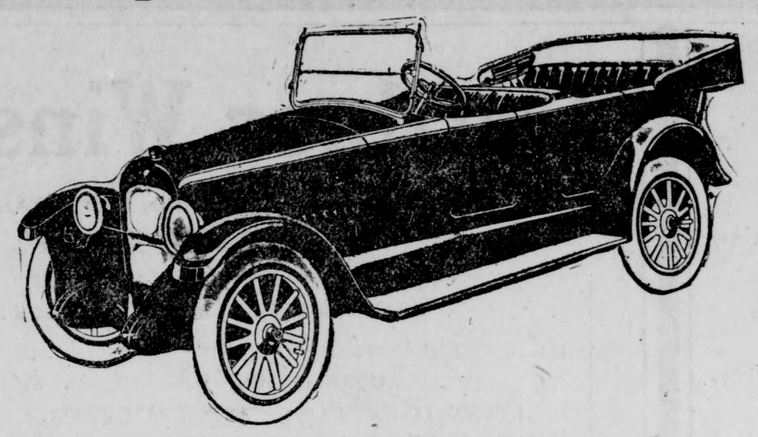
Motor Car Buyers Appreciate the Superior Value of Nash



The big volume of Nash Six sales under conditions of the past few months is gratifying. It shows that conditions are improving and it shows most clearly the high regard motor car buyers have for this good car.

The Nash Six is a leader in sales today, and sales leadership now has a far greater meaning than last year.

Then, with countrywide demand for automobiles far in excess of combined production of all factories, sales leadership meant simply leadership in production.

Now sales leadership means leadership in value. Buyers are purchasing on the basis of value alone. The cars that lead in sales today are the cars in their respective price fields that buyers agree possess the highest value for the money invested.

That is why this is a Nash Six market, and why the Nash Six is today one of the fastest selling motor cars in the country.

The exceptional worth of this car has found general recognition. Buyers have found that the Nash Six qualities of beauty, power and comfort can be approximated only in cars considerably higher in price.

BUICK SERVICE IS EFFICIENT, READY FOR EMERGENCY

GOOD WORKMANSHIP IS GIVEN SAYS W. A. TANNER, OF FIRM OF TANNER & HALL

"Let us suppose," said W. A. Tanner of Tanner & Hall, local Buick agents, 237 South Brand boulevard, "that your watch needs cleaning and adjusting. Just where would you take it for the careful attention its fine mechanism deserves? Would you leave it with any jeweler not properly equipped to do the work?

"The realization of these truths years ago and the successful adaptation of them have assisted a great deal in raising authorized Buick service to its present high standard, which is seen reflected not alone in the work of the larger stations throughout the country, but also in the shops of the dealers in smaller towns everywhere. Good workmanship in Buick service stations is as universal as the record of Buick economical and dependable performance.

"Good workmanship is not necessarily a question of the size of the service establishment for the tools and equipment required to give Buick cars proper attention are not especially elaborate or expensive.

"Buick authorized service is part of a preparedness plan. It substantiates the serviceability built into Buick cars, reinforcing their ability to perform without undue interruption. It is ready to meet emergencies, which are unnecessarily costly if they cannot be met quickly and efficiently.

"The need for this service is the exceptional rather than the general thing, because of the very character of the Buick car itself—its quality.

"And it is well to bear in mind that this quality is being built into Buick to a large extent by the use of specialized tools and machines. We may repeat that makeshift equipment has no place in the Buick factory.

Right to Demand It

"As an owner it is your right to demand careful workmanship on your car and it should be your aim to see that you get such workmanship. And for this, two things are necessary:

1. Skill on the part of the workman.

"2. Mechanical facilities to enable the workman to do good work.

"Should the occasion ever arise that your car might need the attention of skilled workmen, you will always find it to your advantage to call on the authorized Buick service station in your community.

"For, in addition to getting genuine Buick parts—parts manufactured to the exact specifications of the originals—you will get the service that has been built up for just such emergencies.

"Buick service is for Buick owners. That is why dealers are making such serious efforts to equip their establishments with the tools and machines that mean so much in good workmanship, economy and promptness."

GARDNER FINISHES FIRST IN CLASS TO YOSEMITE

B. G. SUTHERLAND, AGENT HERE FOR POPULAR CAR, GETS DETAILS IN MESSAGE

When your horse comes in on the home stretch a winner, that's when you sit up in the grand stand and yell!

That's literally what B. G. Sutherland, distributor for Gardner and Liberty cars here at 230 North Brand boulevard, is doing this week.

For it was the Gardner which won the Yosemite economy run in its class. The following telegram was received by Mr. Sutherland from the McGill Motor company of Los Angeles, relating the victory:

"Nineteen twenty-one Gardner touring car, carrying driver, three passengers and baggage, total weight 3580 pounds, won the Yosemite Economy Run in class one, making the entire run of 400 miles from Los Angeles to Camp Curry, Yosemite, through rain, snow, mud, slush and fog on almost impassible roads on seventeen gallons of gasoline and three quarts of oil. Ton mileage per gallon 42.11. In view of the adverse conditions the record made was nothing short of marvelous."

"If you would make certain of securing immediate delivery on the Gardner, place your order now," is the advice Mr. Sutherland gives to the buyer looking for an economically constructed car.

Lincoln Hart To Talk Before Tuesday Club

So important did the president of the Shakespeare club of Pasadena consider the message which the Ethical Motion Picture Society of America is trying to give the public that she made a special place on the program Tuesday afternoon for the founder of the society, Lincoln Hart, to speak and explain the ideals, purposes and aims of this society.

On the recommendation of the Pasadena Shakespeare club, the Tuesday Afternoon club of Glendale has secured Mr. Hart to speak June 14 just preceding the regular program arranged for that afternoon. Many film directors and motion picture stars are on the membership roll of this society and are eager for the promotion of its ideals of clean, wholesome pictures with an inspirational or educational thought behind them.

MAY DAY FESTIVAL IS PRESENTED BY SCHOOL PUPILS

CENTRAL AVENUE CHILDREN IN ATTRACTIVE NUMBERS; TALK MADE BY R. D. WHITE

A May festival was given on the lawn in front of the Central avenue school Thursday afternoon, under the supervision of Miss Annie L. McIntyre, commencing at 1:30 o'clock.

The first number of the program was a group of two songs by the children of the first grade, "What Shall We Do When We Have Our Holiday" and "Hunting Song." The little girls and boys carried garlands of greenery and flowers. The second number was by the little folks from the kindergarten who danced a Maypole dance. The little girls wore crowns of Cecil Brunner roses, and the streamers from the Maypole were of pink and white, the effect being very lovely.

The girls and boys then gave a demonstration of dramatic activities by going through the motions of attending a birthday party.

The next interesting event was the crowning of the May Queen, Marion Morgan, and Welcome May song by the third grade. The crown was made of Cecil Brunner roses, the throne having a canopy of the same flowers and banked with carnations and roses.

The members of the third grade carried some very clever baskets which they made in their drawing class, each basket holding a bouquet of flowers.

Richardson D. White, superintendent of schools, then spoke on the bond election May 24 and urged the people to go to the polls.

The closing number was a cantata by the boys and girls of the fourth, fifth and sixth grades under the direction of Mrs. E. E. Kent, assisted by Mrs. Harwood in making the costumes, and Mrs. Miner, accompanist.

The cantata was called "The Carnival of the Flowers," which had many choruses and four solo parts, "The California Poppy," Janice Brown; "Strawberry Blossom," Rose Bagley; "Yellow Jasmine," Evelyn Rockwell; "Invitation to the Breezes," Elizabeth Woltman. Violet, daisy, water lily, asters and other flowers were all represented. The children were dressed to represent these various flowers.

A large crowd of mothers, fathers and friends of the children was present to witness the ever-popular May festival.

Buster Keaton Company, At Palace Grand Tonight

Buster Keaton, who started his stage career being kicked about by his father in vaudeville, comes to the Palace Grand theatre today in the comedy half of the film program. The title of his latest picture to be seen here is "Hard Luck." There will also be news views, a cartoon reel and music equal to the pictures. But to speak about the feature—

The eternal clash between the mountaineers of Kentucky and the inhabitants of the valley, is thrashed out again in the Charles Maigne production of "The Kentuckians," featuring Monte Blue. The film was made from the popular novel by John Fox, Jr., and it retains the fine characterizations, the simple mountain atmosphere, the dramatic situations that abound in the book.

Monte Blue is a heroic figure as Boone Stallard, the backbone of his clan, and the only man who could quell feuds between the different families. Stallard is sent to the Kentucky legislature and early there he has a clash with Randolph Marshall of the Blue Grass country who has his own ideas about the way to rule the mountaineers. In the end, however, Boone convinces Marshall that he can handle his own people and that they can fight their own problems, thus making for a union of these two elements of Kentucky civilization in common accord.

Mack Sennett Comedy Is Glendale Feature

"She Sighed by the Seaside," the latest Mack Sennett comedy, featuring Ben Turpin, is proving a great attraction at the Glendale Theatre this week-end. It apears for the last times today with "Half a Chance," which Jesse D. Hampton produced with Mahlon Hamilton and Lillian Rich in the leading holes.

It's a regular "he-man" story of the "under dog"—a man who, sunken to the depths, beats his way through almost insurmountable obstacles with the sheer force of physical dominance, determination and will power.

Edith Roberts in "The Unknown Wife" will be the feature tomorrow while Pathe News, Topics of the Day and an episode of "The Son of Tarzan" will round out the bill. Madame Clement will play the usual organ concert prior to the first Sunday evening show.

Coupons clipped from The Glendale Evening News again will entitle the bearer to one admission during the first of the week. Hundreds are taking advantage of this generous offer.

Manager William A. Howe announces that Miss Edith Roberts, star of "The Unknown Wife," will be present in person at the first show Sunday night.

University's Prodigy Testifies Knowledge

NEW YORK, May 14.—Edwin Roche Hardy, Columbia university's 12-year-old prodigy, testified his knowledge today on Thomas A. Edison's "ignoramometer."

After a half hour's study of seventy-seven questions Edison is said to submit to applicants at his factory, Hardy turned in fifty-three answers, "for one reason or another," failing to answer the others.

Some of his answers placed Tallahassee in Tennessee, made Horace Greeley founder of the New York Herald, made mahogany the hardest wood and named citric as the acid in vinegar. The "prodigy" was most successful in answering the scientific and historical questions.

President Harding is a member of the Marion County Automobile association, which is part of the Ohio State Automobile association.

Motoring enthusiasts in Leamington, England, have organized a motor caravan club. The new club has a large assembly of caravans and trailers.

FRANCIS READ WINS BATTLE OF WORDS AT TABERNACLE

MEMBER OF SENIOR CLASS IS AWARDED DECISION; OTHERS MAKE GREAT SHOWING

(Continued From Page 1.)
gently before rendering a decision. The Sophomore entry was finally decided upon as the winner and was announced, after numerous interruptive outbursts on the part of more or less rabid students, by Rev. Calderwood, who was chairman of the committee.

Following this announcement the four classes, led of course, by the victorious Sophomores, burst forth in a wild and unrestrained demonstration that fairly shook the roof of the big tabernacle.

The winning booth consisted of a large and beautiful stairway leading up to the bottom of an elegantly decorated silk American flag, over the top of which the word "Power" was artistically inscribed. The entire affair was made up of flowers of exquisite and vari-colored hue, representing the possibility of ascending to authority in the United States through education.

The other three booths were exceedingly clever, uniquely designed, especially that of the Seniors. This consisted of a large glove being closely followed by the ship of state. Directly behind this appropriate representation sat a number of stalwart and dignified youths personating the members of former president Wilson's cabinet. The Junior and the Freshmen booths also deserve honorable mention, as they were exceptionally novel and originally constructed affairs.

Jack Jenkins Chairman

The chairman of the evening was none other than Jack Jenkins, who won the contest as well as first Southern California honors last year. After being introduced by Professor William Darwin Root, Mr. Jenkins explained a little of the history, significance, etc., of the annual oratorical contest, after which he introduced the first speaker of the evening.

Besides winning the $20 and having his name inscribed on the large loving cup Francis Read will be given a chance on the evening of May 27 to compete with representatives of all schools of Southern California, the affair to take place in one of the Los Angeles institutions.

Committee Meeting May 20

All committees are to meet at the city hall next Friday, May 20, and the next meeting of the association will be held Friday night, May 27.

During the discussions it was stated that the Salt Lake road is operating on a fifty-year county franchise and has about twenty-two more years' protection under that franchise.

President Levey, before announcing adjournment, urged those present to bring the movement to the attention of as many Glendale citizens as possible, stating that these contemplated improvements will not be a help to just one section alone but will prove a benefit to the city as a whole.

'DEAR KATIE' LEARNS ORATORY CONTEST FULLA NOISE

WRITER CAN'T AGREE WITH JUDGES; SPLIT UP PURSE, IS HIS SUGGESTION

(Continued From Page 1.)
fore everybody they began to outyell each other and they seemed happy in their ignorance of the English language which they sliced, dried and otherwise mutilated. Katie, it was awful. I was wishing somebody would put 'em out, so the talkfest could begin.

Well, it was the Union high school doing and in unions there is strikes. It was a riot all right.

Soph Section Breaks Loose

At last the fair maiden in the case took the stand and her name was Kathleen Campbell Sophmore. I couldn't hear her very well from where I was, but she made a nice speech, I guess, 'cause when she finished the steam caliope in the Soph section broke loose and screamed and the audience got the habit and went wild, too. A pretty bouquet was given to Miss Campbell.

Well, after that storm, Mr. Dale Wood, Junior, came to bat. Then the Juniors screamed. Katie, it was all Turkish to me.

Mr. Wood got a bouquet and big applause for his speech, too.

Mr. Arden Gingery made a home run in the ninth and the Freshmen and the whole house let out a yell that I'll bet was heard in Winnipeg. A bouquet was give to Mr. Gingery.

Mr. Francis Reed took the stand and the Seniors stood up and howled. He finished his speech and got his bouquet. And the Seniors and the whole house just fairly screamed.

Then the referee got up and said as how he would soon tell us who won the trial or bout or oratory or whatever it was.

Some comical remarks was made off and on, but I couldn't hear 'em, but when the rest laughed, I laughed, too. It was lots of fun, Katie.

Well, at last the jury come in with its verdict, and the umpire stood up to give the decision as to which class had the best booth.

Well, he kept that mob in a hysterical suspense for ten minutes. He praised each booth separate and between each praise there was many screams and yells of suspense from a thousand students that just stood on their hind legs and howled in agony.

Katie, I got so excited I stood up on my seat. The air was stifling and so was I.

Make Faces at Each Other

The Sophs won the honor for having the nicest booth and those Sophs hit the roof. Hats, horns and canes filled the air. Their shrill screams made my ears ring. And the Freshmen and Seniors and Juniors made faces at each other. Pendulum reigned, Katie, for quite a while.

After a while Mr. Jack Jenkins came forth to give out the final returns on who won the oratory contest. Katie, that mob had only been speaking in whispers all evenin.' In this round they talked out loud. They shrieked.

Mr. Jenkins looked toward Miss Cameron and the rafters shook the shimmie.

Then he looked at Mr. Wood and there was a whoop that must have curdled the milk. He turned his eyes upon Mr. Gingery and the yells would have made a Apache green with envy.

Then, Katie, he handed a $20 gold piece to Mr. Reed—and zip, bam, zowie! The battle was on! Everybody cheered and laughed and cried all at once.

The Seniors crawled over and under the seats. They raised Mr. Reed up in the air and tossed him around like a bean bag.

Katie, if I had been the judge, I wouldn't had the heart to give that $20 to anybody. I would of given $5 to each one of the four.

But, of course, I don't know about such things and the man that knows that he does not know is the man that knows. Ain't so, Katie? More anon. Oratorically yours,
E. C. HALE.

LOCAL HIGH SCHOOL PUPILS ORGANIZE SCIENCE CLUB

MARVIN H. CREAGER IS CHOSEN PRESIDENT; MEMBERSHIP IS LIMITED TO SIX ONLY

The Seminar Science club of Glendale Union High school held its initial executive meeting in the research office of the Science Department Thursday afternoon from 3:30 to 4 o'clock. The immediate object of the meeting was to elect officers and to determine the policies of the organization. The election and discussion were carried on in a business-like manner with Alfred Cookman presiding as temporary chairman.

Mr. Cookman is the faculty advisor and honorary president. He is now preparing a master's thesis on the structural development of the legs and spinnerets of the spiders of the Pacific coast. This is an individual line of research and nothing of the kind has ever been done before. Mr. Moyse, Mr. Ferguson, and all teachers of the science department are recognized as honorary members.

V. D. Little, M. H. Creager, Willard Goertz, Walter Kohl, C. G. Farrow, Jr., Aager Berg, Benjamin Riskin and Robert Searles are the charter members.

M. H. Creager Is President

Marvin H. Creager was elected president. He has been in charge of the research laboratory for some time, and has studied chemistry and therapeutics extensively.

Willard Goertz is the vice-president. He has been doing some very good art work with natural history subjects.

Valmont Kittle, who was chosen secretary and treasurer, has studied the science of explosives, and is now pursuing general chemistry and therapeutics.

C. G. Farrow, Jr., the business manager, will care for programs, excursions and publicity, and can always be depended upon to start something. He is the electrician of the society, and is studying electrotherapy.

Benjamin Riskin, as sergeant-at-arms, will run the gate, and also anyone who tries to come in without permission. He is interested in premedical work.

Aager Berg intends to go to medical college and is now studying anatomy.

Robert Searles is interested in taxidermy, but is now doing botanical work, classifying the mosses and ferns of Griffith park.

Object of Organization

The object of the club is to further advance scientific knowledge. Only those who show a distinct interest in some branch of science are granted admission; they must already have had some experience in their lines. Only upper classmen are eligible and only six may enter each semester.

Regular business meetings will be held every Thursday at 3:30 o'clock, lasting for one-half hour, in the research office. Members will wear the club colors, green and white.

The members have been doing some very interesting work, chemical, botanical, biological and anatomical. Wednesday, an undesirable dog was brought to the laboratory, and after being painlessly put to death was dissected. The cerebrospinal fluid was examined for rabies, of which no traces were found. The society will always be glad to examine material, and will take care of surplus cats and dogs if notified, it is stated.

There will be a laboratory exhibit towards the close of the year at which those who are interested may see the museum and the work which has been done.

R. Peterman Protests Over Cemetery Plans

R. Peterman, 1625 South Glendale avenue, addresses the following communication to "The People of Glendale" relative to the proposed improvement sought by the Forest Lawn Memorial association in South Glendale: "May 13, 1921.

"To the People of Glendale: Do you realize that a big moneyed corporation is trying to get a foothold on one of our most beautiful streets with the idea of making a cemetery out of it?

"An ordinance comes before the city council for action May 26th, to allow a cemetery to exist right across the street from one of our school houses.

"Wake up and realize just what that means. Our school house has invested money in school land down there. People have built their houses also there, because they take pride and delight in the Tropico hills. And those hills are a pride and delight to everybody living in Glendale. Do you want to see those hills dotted with graves? Do you want to see a beautiful street, one of our main boulevards, Glendale avenue, spoiled for home building and given over to the burial of the dead? Do you want to see your children go to school and study and play in the shadow of the grave yard? All South Glendale is affected.

"There is no right minded person who would not admit that he would not care to live in front of a cemetery. It is bound to hurt the value of our property. Instead of filling South Glendale with homes, you are allowing a big moneyed corporation to make Tropico a city of the dead. Of course, they hand us a lot of soft soap and promises about a Memorial park—hedges, no monuments, etc., in order to get what they want now. What assurance have we of the future? What about our children after we are gone? Shall we not safeguard their future?

"Let us make this a city of homes—of the living—not the dead.

A cemetery is needed in the proper place—but why plant it in the midst of a thriving community. There is plenty of acreage farther away for burial purposes. The moneyed men back of this Los Angeles corporation know that it is now or never. Glendale avenue will be built solid with beautiful homes if allowed to develop naturally. These Tropico hills will be a beauty spot forever with homes. Now is the time to show your colors—whether you are a friend of Glendale or stand in with the big moneyed men.

"Why make a cemetery any more prominent than can be helped? They don't need a front on one of our main streets. We don't want to look up at these hills and see graves—and you know they can never be hid. Let us bring home-builders here—not dead ones. What do you say? Are you a live wire booster for Glendale, or a dead one?

"R. PETERMAN,
"1625 South Glendale."

THEY BEGIN YOUNG NOW

The discovery of a child poet only three years old is announced, but we know a child poet who is even younger than that, if "Oo-goo" may be considered poetry.
